Stand Taken in Favor  
of Temperance

CHICAGO, May 27.—(Associated Press by Federal Wireless).—The 126th general assembly of the Presbyterian church of the United States in session here yesterday adopted resolutions favoring national prohibition; endorsed the national administration, and the state and navy departments for their actions in support of the temperance movement; urged all ministers and members of the church to withdraw from clubs and social organizations which dispensed alcoholic beverages and condemned cigarette smoking by members of the church.

## IF CHILD IS CROSS, FEVERISH AND SICK

Look Mother! If tongue is coated,  
cleanse little bowels with "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages, and for grown-ups, plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt—advertisement.

## LAST RITES ARE SIMPLE OVER LATE EMPRESS

TOKIO, May 26.—(Associated Press by Federal Wireless).—When the casket containing the body of Empress Dowager Haruko was laid away today in a plot of ground at Momoyama, near the mausoleum of Emperor Mutsuhito, the simple act marked the conclusion of a series of remarkable ceremonies in honor of the dead.

## Fort Shafter Notes

[Special Star-Bulletin Correspondence]  
FORT SHAFTER, May 26.—Owing to the fact that certain of the enlisted men of the garrison recently made an appearance on the stage of one of the Honolulu theaters wearing dress uniforms of the service under circumstances not deemed as showing the respect for such uniforms thought to be proper, the commanding officer of the post has ordered that in future no enlisted man of the command may take part in theatrical productions without permission so to do having first been obtained from his organization commander and must be understood that in no case will the uniform be worn in theatrical productions where the situation may be such as to fail to show proper respect for the same or where the uniform may be in a light subject to ridicule by reason of the character assumed by the wearer. It is but fair to the individuals who were the cause of the above order having been issued to state that they made prompt correction of the circumstances when the situation had been brought to their attention and the management of the theater was quickly prompt in providing costumes to effect the correction. It appears that the whole affair was the result of thoughtlessness on the part of the management and men complied with an excusable lack of knowledge on the part of the men as to matters theatrical.

Upon the arrival of the next transport from San Francisco Lieutenants J. W. McAndrews and L. R. Fredendall of the 2nd Infantry are expected to join the regiment from detached duty at the army signal school at Fort Leavenworth, Kans., where they have been at student officers for the year. The arrival of the two officers leaves but three officers of the regiment detached therefrom and it is thought that no other regiment in the service is able to show so nearly a complete roster of its officers "present for duty" as does the 2nd Infantry. Of the three who will yet be absent, Lieut. Cary I. Crockett, who is serving as aide-de-camp on the staff of Brigadier General C. R. Edwards, is on the island of Oahu and would be immediately available for assignment should occasion require. The other two absentees are Lieutenants William G. Ball and W. C. Lewis, the former serving with General Funston at Vera Cruz and the latter on duty as an instructor at West Point. One vacancy exists in the regiment in the grade of 1st Lieutenant due to the fact that no successor has as yet been assigned to succeed to the place vacated by Lieutenant Herndon Sharp upon his resignation.

## MASSMEETING ON FRONTAGE TAX TONIGHT

Several Speakers Will Advocate Better Roads Under New Improvement System

Everyone who is interested in the road problems of the city and county of Honolulu is expected to be present at a mass meeting which has been arranged by the Central Improvement Committee under the cooperation of the board of supervisors and the mayor. The meeting will be held in the makai pavilion on the roof garden of the Alexander Young hotel building beginning at 7:30 o'clock.

Several speakers have been selected to advocate the application of the direct frontage laws, among them being R. R. Reidford, Marston Campbell, Albion F. Clark, James T. Taylor, Ed Towse, Charles R. Hemenway and T. M. Church. The speakers' time is to be limited to 10 minutes.

Lester Petrie, chairman of the roads committee of the board of supervisors, has been asked to speak on the attitude of the supervisors toward the statutes. Other members of the board are looked to as probable speakers.

This hearing has been called at the urgent request of the Oahu Central Improvement Committee. It outlined, in a letter asking for the meeting, several policies it would like to see the board adopt. One was that all road improvement work be done under the statutes. Another was that a fixed and uniform percentage of the cost of such work be designated as the portion of the expense the city and county will stand ready to pay in such improvement work. A third was that all such work be let out on contract, the municipality only caring for the actual maintenance of the roads.

able for assignment should occasion require. The other two absentees are Lieutenants William G. Ball and W. C. Lewis, the former serving with General Funston at Vera Cruz and the latter on duty as an instructor at West Point. One vacancy exists in the regiment in the grade of 1st Lieutenant due to the fact that no successor has as yet been assigned to succeed to the place vacated by Lieutenant Herndon Sharp upon his resignation.

Mrs. Calhoun, the wife of 1st Sergt. Calhoun of B company, 2nd Infantry, who for the past ten days has been a patient in the department hospital that she entered to undergo a serious operation, is now rapidly convalescing. During Mrs. Calhoun's illness and operation Sergt. Calhoun has been excused from duty with his company in order that he might be with his family. He is expected to resume his duties with his company tomorrow relieving Sergt. Kimbrell of the same company from the duty of acting 1st sergeant.

The special court martial of which Major E. V. Smith is president and Lieut. N. W. Campanile is judge advocate, was in session yesterday afternoon and will resume its proceedings today in considering the cases of four enlisted men charged with minor offenses.

There used to be a time when all a young man had to do in order to make good was to marry his employer's daughter and succeed to the business.
